

▶ Integrated warming plate with separate control panel

✓ Ideally suited for warm buffets

▶ Keeping warm with induction

✓ 300 Watt

▶ Pot detection

✓ Pot diameter max.: 195 - 260 mm

▶ Easy operation

✓ Temperature control in 5°C steps

▶ Combinable

✓ Up to 4 appliances can be switched in sequence in 1 power circuit

The warming plate as a built-in variant with its simple look is the ideal solution for any form of food serving. For a uniform look, 4 devices can be connected and switched in one power circuit with the optionally available cable.
