

- ▶ Table-top warming plate
- ✓ Ideally suited for warm buffets

- ▶ Keeping warm with induction
- ✓ 300 Watt

- ▶ Pot detection
- ✓ Pot diameter max.: 200 - 380 mm

- ▶ Easy operation
- ✓ Temperature control in 5°C steps

- ▶ Combinable
- ✓ 4 appliances can be switched in sequence in 1 power circuit

The design of this hot plate makes every buffet look more appealing. The practical solution of connecting and switching 4 appliances with the optionally available cable in one circuit also ensures a uniform, high-quality look when serving food.

|-----------------------------------|---|--|-------------------------|
| • Combinability:                  | 4 appliances can be switched in sequence in 1 power circuit | • Regulation of:   | Output -                |
| • Control panel:                  | On the appliance  | • Properties:  | -                       |
| • Power load:                     | 0,3 kW   230 V   50-60 Hz                                   | • Pot diameter max:  | 200 - 380 mm            |
| • Equipment connection:           | Pluggable   | • Estimated delivery time from our warehouse in Salzkotten, Germany is week: | 15 / 2023               |
| • Temperature range:              | 40 °C to 95 °C  | • Size:  | W 395 x D 395 x H 98 mm |
| • Control unit:                   | Electronic  | • Weight:  | 5.6 kg                  |
|                                   | Touch   |  |                         |
| • Control lamp:                   | -   |  |                         |
| • Size ceramic surface:           | W 390 x D 390 mm  |  |                         |
| • Overheating protection:         | Yes   |  |                         |
| • Timer:                          | No  |  |                         |
| • Digital display:                | Yes   |  |                         |
| • ON/OFF switch:                  | Yes   |  |                         |
| • Colour:                         | Black   |  |                         |
| • Can be installed:               | No  |  |                         |
| • Pot recognition:                | Yes   |  |                         |
| • Lock button (child protection): | No  |  |                         |
| • Material hob:                   | Glass   |  |                         |
| • Number of temperature levels:   | 12  |  |                         |
| • Intervals temperature setting:  | 5 °C  |  |                         |
| • Output max.:                    | 300 W   |  |                         |
| • Number of warming stations:     | 1   |  |                         |
| • Type of warming station(s):     | Induction   |  |                         |
| • Material:                       | Steel   |  |                         |
| • Important information:          | -   |  |                         |
