

Material warm-keeping surface: Stainless steel

- Temperature range: 35 °C to 95 °C
- Temperature control: Thermostatic
- Power load: 0,25 kW | 230 V | 50/60 Hz
- Control unit: Electronic
- ON/OFF switch: Yes
- Thermostat: Yes
- Material warming plate: Stainless steel
- Properties: -
- Material: Stainless steel
- Important information: -
- Size utility space: W 500 x D 377 mm
- GN-capable: No
- Overheating protection: Yes
- Control lamp: ON/OFF
- Can be installed: No
- Size: W 500 x D 375 x H 64 mm
- Weight: 5 kg
