

Pizza plate Speciale

774830

Made of very durable porcelain, these plates are perfect for heavy use in professional catering establishments. The snow-white plates are available in sizes with the diameter of 28 and 33 cm and are complemented with elements in trendy colours; they go together perfectly and bring out the appearance of the dish, making it look even tastier. The decoration is protected by glaze, which makes the plates dishwasher and microwave safe.

Specifications
