

Milkshake mixer - Design by Bronwasser

221617

Designed by Dutch Designer Robert Bronwasser and available in 6 attractive colours. Make Freddo cappuccinos, Frappés and of course milkshakes without effort. The housing is made from ABS plastic. The base is weighted for extra stability and is fitted with rubber feet. The motor can spin the agitator disc at two speeds, 15.000 and 19.000 RPM. Control the milkshake mixer with the two-speed switch on the top which is easily accessible. The milkshake mixer is fitted with a micro switch so it can only operate when the cup is properly placed. Choose between two different stirrers to control the level of aeration. Very complete, comes with a stainless steel mixing cup (0.95 liter) and polycarbonate mixing cup (0.9 liter) and 2 sets of 2 stirrers. Cups and stirrers are dishwasher safe.

Specifications

Usage area	: Kitchen
Voltage	: 230
Protections	: Micro switch
Materials	: ABS (Acrylonitril-butadien-styrene), Stainless steel, PC (Polycarbonate)
Packed per	: 1
Length (mm)	: 170
Width (mm)	: 196
Height (mm)	: 490
Power (input) (W)	: 400
Measurements	: 170x196x(H)490
Colour	: White

Transport specifications

EAN	: 8711369221617
Intrastat code	: 84388091
Gross weight (kg)	: 6.12
Net weight (kg)	: 4.76
Export carton length (mm)	: 470
Export carton width (mm)	: 290
Export carton height (mm)	: 580
Quantity per export carton	: 2
Sales units per pallet	: 36
